

## HISPANIC GENEALOGICAL JOURNALS

The Hispanic Genealogical Journal is published once a year as a research resource of Hispanic genealogy and history. These journals are a composite of articles submitted to our editor on Hispanic Genealogical subjects. Many family ancestor charts, ancient census records, pictures, old terms are explained or defined, cemetery records, indexes of related books, baptism records and marriage records are included. These journals are a must for all collectors. Membership in the society includes the annual Journal. Annual dues are \$30.00 with mailing of the journal included. **Out of Print Journals will be reprinted at \$30 plus shipping.**
